

Meeting held on 10 October 2004 at Kingsbarns School Hall

Present : Cllr. Peter Douglas and 13 village residents

1. Community Council Members :

Cllr Douglas reported that since the last Meeting the following 4 nominees had put forward their names and had been duly elected as Community Council Members;

Joyce Taylor, Clare Wright, Peter Erskine and Geoff Lang. These elections had been made as the number of nominations were less than the number of vacancies, and only those 4 persons had put their names forward as being willing to stand.

This evening's Meeting therefore, represented the inaugural Meeting of the newly elected Kingsbarns Community Council.

Care Wright voiced her wish to hand over the Chair of the Community Council to another. There being no other volunteers Joyce Taylor was duly appointed and accepted as the new Chairman of the Community Council.

The post of Treasurer being vacant, and there being no volunteers for this post, Peter Erskine was duly proposed and accepted.

The post of Secretary had been vacant since the resignation of Margo McKee in July, and there being no volunteers, Geoff Lang was duly proposed and accepted.

Finally, Charlotte Kirby was nominated as Vice Chairman.

2. Minutes of previous Meeting :

The Meeting scheduled for September 13th had not taken place, hence the last Meeting was July 5th.

The Minutes of that July 5th Meeting would go forward for agreement at the next meeting (November 22nd).

3. Matters arising:

Sub-Committee

Recalling that in April 2004 Miss Jean Bell, Scott Tunbull and Huw Lloyd-Richards had -been elected to serve on the sub-committee to investigate "Future Development in Kingsbarns", Huw reported that two constructive meetings had taken place since, in May and in September. Minutes of those Meetings had been passed to Clare Wright, out-going Community Council Chairman. These Minutes along with a report on the sub-committee's findings would be presented at the next Community Council Meeting on Monday November 22nd in the Kingsbarns Memorial Hall.
